

Happy Diversity Month from The LBHH EDI committee!

The LBHH EDI committee continues to devote our efforts to improving identified needs such as language services, LGBTQIA+ issues, and overall cultural awareness in the facility. An LBHH team participated in the YWCA Race Against Racism on April 26th and we had so much fun that we're already looking forward to growing our team for next year!

"We have the ability to achieve, if we master the necessary goodwill, a common global society blessed with a shared culture of peace that is nourished by the ethnic, national and local diversities that enrich our lives."

Mahnaz Afkhami (Iranian-American Human rights activist)

"We all should know that diversity makes for a rich tapestry, and we must understand that all the threads of the tapestry are equal in value no matter their color."

Maya Angelou (American memoirist, poet, and civil rights activist)

"It is not our differences that divide us. It is our inability to recognize, accept, and celebrate those differences."

Audre Lorde (American writer and civil rights activist)
